
Messages of Eminent Scholars

I know Professor **N.Ch.Pattabhi Ramacharyulu** for more than thirty five years.He is an institution himself. A thorough gentleman, extremely simple human being,down to earth researcher and perfect teacher are some of his many qualities.We are very close friends and I am proud of this relation.He is master of many topics of Applied Mathematics in general and has indepth knowledge of mathematical modelling of real life problems,in particular.

I wish him a healthy and happy life

Dr. V.P. Saxena

(Ex VC Jiwaji University, Gwalior)

Director

Sagar Institute of Research, Technology & Science

Ayodhya Bypass Road

Bhopal-462041

Prof. N. Ch. Pattabhi Ramacharyulu is a scholar par excellence in varied subjects. He is a renowned Professor of Mathematics of international repute. His continuous untiring services as a teacher and researcher are marvelous that are cherished and acknowledged by all his students. His contribution to society in spirituality and other services are received and recognized. I congratulate the Editorial Board of this Journal to bring out a special issue on the occasion of his 79th birthday which is a befitting jester of honouring this Great Teacher.

Prof. G. Sarojamma

Former Vice-Chancellor

President,A.P. Society for Mathematical Sciences

Dept. of Applied Mathematics

Sri Padmavati Mahila Visvavidyalayam

Tirupati,Chittoor dt,Andhra Pradesh

He is the teacher who strengthened me for reaching my targets when I am not capable of achieving them. Today I am with a good recognition only with his blessings.

Dr.N.Ch.Sriman Narayana Iyengar

School of SCSE

VIT University

Vellore-632014

Tamilnadu.

Prof.Pattabhi Ramachryulu is a Mathematician ,who is a source of inspiration for all the people around him .He has thrust of knowledge and always he believes that Knowledge is infinite .Even if he authors many books, supervise many Ph.D's still he tries to learn new things. His services in promoting Mathematics among youngsters is significant.

Prof.Pattabhi Ramacharyulu is a scholar of not only Mathematics/Applied Mathematics but also of Vedas and Puranas.

I pray God to give him strength to train more and more students to become good Mathematicians.I wish my guru, **prof. Pattabhiramacharyulu** a very Happy ,joyful and peaceful life."

Dr.M.A.Srinivas

Professor & Head

Department of Mathematics

J N T U Hyderabad

College of Engineering

Hyderabad-500085

Prof.N.Ch.Pattabhi Ramacharyulu garu, who is a source of inspiration to many researchers, is a role model. I met him first time in 1973, when I joined as a Research scholar in REC, Warangal. The results obtained by him in the fields of Fluid Dynamics and Mathematical Modeling are very significant. Andhra Pradesh Society for Mathematical Sciences (APSMS) is his Brain child and he contributed much for the development of APSMS. I am very happy to be associated with him in the developmental activities of APSMS.

Even today, after retirement, he is still active, attending conferences and seminars and also guiding many youngsters in research work. I wish **Prof.N.Ch.Pattabhi Ramacharyulu** garu good health and also I wish he will guide many youngsters in future also.

Dr. D. RAMA MURTHY
Prof of Mathematics (Rtd)
Osmania University
Hyderabad 500007

What Can I tell about **Prof.N.Ch Pattabhiramacharyulu**.I so young in experience comparing with him.He is good at heart.Very hardworker.Sincere.....Academicacally devoted to work.Very simple. Very polite and talk with a smiling face with every body irrespective of age or position.

He is one of the Navaratnas.I can say He is telugu jathi ratnam. It is if I say pages about him.
Thank you for giving me this opportunity.

Dr. Shahnaz Bathul
Professor & Head
JNTU College of Engineering
Hyderabad

He is a dedicated researcher and teacher with passion for mathematics and it's development in Andhra pradesh.I pray to the almighty to grant him many more years of health and happiness. I wish him on his Birthday.

Prof V V. HaraGopal
DEPT of Statistics
Osmania University
Hyderabad
Former president APSMS

Sir possesses the fundamental quality of a good mathematician. He has always exhibited other great qualities of being justified, seasoned and logically organized. He has succeeded in motivating and engaging his students. His enthusiasm has been infectious. He has remained scientifically active, almost constantly till the end of his career. He has mathematical techniques for existing methods and developing new tools.He possesses an exceptional mathematical insight, vision and exposition.

**Prof.P.S.Rama
Chandra Rao**
Department of Mathematics
Kakatiya Institute of Technology & Science
Warangal.

I am one among the fortunate persons to associate with **Prof.N Ch Pattabhiramacharyulu** who is highly respected in the community of Mathematicins in India.His simplicity and readiness to help researchers of all ages made him a popular personality.

May God give long healthy life for the benifit of young researchers in Mathematics

Prof. V Siva Rama Prasad
Professor (Retd.)of Mathematics
Osmania University, Hyderabad

Prof.N.Ch.Pattabhi Ramacharyulu is a walking encyclopaedia of Modern and Applied Mathematics.His contribution to the field of research in Applied Mathematics is marvellous.I feel it as a boon to be his student in my research work.I am impressed with his personality, parental affection,unselfish service and endless quest for knowledge.I acquired so many good qualities from him.

I pray god to give him long life and good health to render his yeoman services to the field of research in Applied Mathematics.
